MEMORANDUM FOR THE RECORD

SUBJECT: OPM and DOD Views Letter on H.R. 39 - Conveying
Agency Views to OMB

1. On 20 June 1985, I called Hilda Schreiber, Legislative Analyst, Office of Management and Budget (OMB). I informed her that the Agency had no objection to the views letter on H.R. 39 prepared by the Office of Personnel Management.

2. The Agency, however, did object to the letter prepared by the Department of Defense (DoD). That letter proposed several amendments to the Bill which would make it less objectionable from the Department's viewpoint. I said the Agency believed that H.R. 39 was unpalatable in any form and, thus, should be opposed across-the-board without suggesting any amendments to it.

3. Ms. Schreiber indicated that OMB held this view also and that it would be conveyed to DoD.
